NORMS FOR FIXATION OF FEE

St. Mary's English School believes that the education of students is the most important than anything else. Fees should not be constraint between education and students. So while fixing fees the school strictly follows the norms of state Government of Bihar and Central Board of Secondary Education. School fees are fixed according to the facilities like infrastructure like teaching, Sports and Games, Electricity, Generator, Computer, Smart Class, Laboratories, library and other facilities provided to the students.

Every year the revision of fees is done by school management committee after having discussion in the meeting. Fees are collected in specified heading like Admission Fee, Registration Fee, Tuition Fee, Annual Fee and Examination Fee.
