ANNUAL REPORT-2025-26

Introduction

St Mary's English School, Barbigha is dedicated to assure value based and quality education to our students. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more. We believe that we were successful to achieve all such targeted goals in academic year 2025-2026.

Academic Achievements

- The academic year 2025-26 commenced on a wonderful note when the results of our 10th CBSE Board Examination came out. Among 366 students who appeared, 178 got more than 70% marks with distinction in various subjects. Sneha Kumari turned to be the school topper with 94.6% marks.
- We are still not satisfied with this result. We are aiming for the No 1 slot and have adopted various measures to achieve our goal. Extra coaching classes for the Board examinees, regular monthly tests and special counseling sessions for children are some of these steps.

Co-Curricular Activities

The school strongly believes in the holistic development of students. Throughout the year, various co-curricular and literary activities were organized through Literature Club and Science Clubs of the school including:

- Debate Competition
- Essay Writing Competition
- Quiz Competition
- Science Exhibition
- Drawing and Painting Competition
- Music and Dance Programs
- Yoga and Meditation Sessions

Students participated enthusiastically and brought laurels to the school in various inter-school competitions. Winning the title of St. Mary's Inter School Arts competition is an example.
